THE COLLEGE AT A GLANCE

The Oriental College was established in the year 1963 as a private college under the guidance of late Shri Nongthombam Ibomcha Singh (Tera Lai), a renowned politician and social worker, with physical and monetary support from a number of people of this area. The college is affiliated to Manipur University. Since its inception, the college has produced a number of academicians, politicians, social workers, outstanding sports persons, etc. In its road of progression, the college was accredited by the National Assessment and Accreditation Committee (NAAC) on the 8th January, 2011. The College was accredited by NAAC for its Cycle-2 A & A on 23rd January, 2017. Presently, Oriental College is the only the Autonomous College in Manipur starting from 2014-15 session. The college is located at Takyelpat, Imphal about 3 kilometers away from the heart of the Imphal City along the NH 39. The sprawling, serene and green college campus of about 7.5 acres provides the best atmosphere including modern infrastructure conducive for and other dedicated research. The academic programmes offered in the college have a distinct focus on

science & arts, reflecting the objectives of an autonomous college. Since the last five years, the college has engaged itself in the process of capacity building, like Infrastructure & Human Resource Development. The college has made tremendous efforts in developing it into world class standard college incorporating the ever changing scientific & socio cultural milieu.

Modernity and simplicity characterize the 7.5 acres green which is located in the Prime Institutional area of Takyel, Imphal to create an ambience that motivates students for a well-rounded development. A beautiful lawn, a large green central ground contribute immensely to providing a stimulating learning environment in the campus. Recently the College has got “Star College” under DBT, Government of India.
