ADMISSION COMMITTEE

## VISION

- Enhancement of quality, sustainable in continuity.
- Transformation of the acquired knowledge into productive activities to cater to emerging local needs by incorporating traditional and cultural values.
- Participation in the development process of the nation at par with emerging global scenario.

## Mission Statement

- To impart and spread knowledge through higher education to the learners coming mostly from the economically backward families.
- To establish a centre of excellence in education by creating a good academic atmosphere.
- To produce graduates of global competency in the context of local needs.
- To provide the changing needs of the academic scenario.
- To fulfil personal, societal & national needs of the stakeholders.

## Thrust Area

- The curriculum structure is designed to meet the future challenges of this fast-changing world, ensuring dynamic and purposeful learning without differences of sex, caste, class, creed, etc.

## The College at a Glance

The Oriental College was established in the year 1963 as a private college under the guidance and initiative of late Shri Nongthombam Ibomcha Singh (alias Tera Lai), a renowned politician and social worker, with physical and monetary support from a number of people of this area. The College, with Under-Graduate Science and Arts Programmes, is affiliated to Manipur University. It is recognized by the UGC under section 2f and 12(B) of its Act. Since its inception, the college has produced a number of academicians, politicians, social

workers, outstanding sports persons, etc. In its road to progression, the college was accredited by the National Assessment and Accreditation Committee (NAAC) for the first time on 8th January, 2011. The College was reaccredited by NAAC for its Cycle-2 Assessment and Accreditation on 23rd January, 2017.

Oriental College also successfully underwent 3<sup>rd</sup> Cycle NAAC Assessment and Accreditation on 9<sup>th</sup> and 10<sup>th</sup> January 2025. It is also the first Autonomous College in Manipur, embarking on its journey of academic autonomy from 2014-15 session.

The College is located at Takyelpat, Imphal about 3 kilometers away from the heart of the Imphal City along the NH 37 (Imphal-Jiri National Highway). The sprawling, serene and green college campus of about 7.5 acres, provides the best atmosphere including modern infrastructure conducive to academic and other dedicated research. The academic Degree Programmes offered in the college have a distinct focus on Sciences and Arts along with career-oriented courses, value addition courses and other short-term courses, reflecting the objectives enshrined in its vision-mission.

Since the inception of its autonomy, the College has engaged itself in the process of capacity building including infrastructure and human resources development. The College has made tremendous efforts to keep in par with national and global standards of higher education incorporating the ever changing scientific and socio-cultural milieu. With the implementation of Autonomous College under the UGC guidelines, the College ventured to develop its curriculum from time to time in order to enable our graduates to compete in different, ever-changing, real-life situations. The College, for the first time among the colleges in Manipur, could adopt Choice Based Credit System (CBCS) curriculum scheme of the UGC from 2020-21 session. It is also one of the first colleges in the state to introduce Learning Outcomes Curricular Framework (LOCF) based CBCS Syllabus under the imperatives of NEP 2020 from Academic Session 2022-23. Recently the College was also awarded with “Star College” scheme under the Department of Biotechnology, Ministry of Science and Technology, Government of India for developing its Science Departments.

## FACILITIES AND SERVICES

### College Library

The College offers a Central Library with a rapidly increasing collection of books, periodicals, journals etc. It has a good stock of text and reference books totalling more than 11000 books. The College Central Library has full Wi-Fi coverage and users can access database of books, e-journals and other e-resources such as INFLIBNET NLIST and ONOS (One Nation One Subscription). Besides, each Department has developed a departmental library of their own.

### Computer Facilities

The computer learning center of the College provides computer facilities accessible to the students with basic knowledge. The Computer center situated within the campus is specially meant for the students. Every Department is also provided computer facilities for easy access of both the teachers and students as well.

### Hostel Facility

The College has a hostels for boys located within the campus. The intake capacity of the Boys Hostel is 24 students and it has a spacious environment with a big dining hall, a playground and warden's quarter. The College Administration is also considering the feasibility for running a Girls Hostel with intake capacity of 24 students with all basic amenities in the near future.
